Dear Rye Township Residents,

It is with great sadness that we announce that the Marysville Ambulance Association will discontinue emergency medical services for the community effective April 30, 2015. Marysville Ambulance has provided service to the community since 1985. For many years, the Association struggled with volunteerism and now we feel we can no longer provide the services you expect and deserve.

We have been working with neighboring EMS services to plan the future of EMS in the community. Although we still plan to play an active role in the emergency care, we will rely on East Pennsboro Ambulance Service for their response and transportation services. We are aware of the increased time that it will take for the service from East Pennsboro Township Ambulance and are working on having a vehicle that will respond when there is a crew available to start to help with patient care.

Holy Spirit EMS will continue to provide Advance Life Support to the community. A Membership Subscription Program will continue to be in place for residents.

Although this decision was tough, we need to ensure emergency services coverage is available for our community 24 hours a day.

It has been a great privilege to serve you,

Marysville Ambulance Association

Merry Christmas & Happy New Year 2015!
