Santa To Visit Rye Township

For the young and young at heart. From infant to 100 years old. Stop by the Township office on Thursday, December 19th from 6:00 PM to 7:00 PM to talk and visit with Santa. Bring along your camera for pictures. Goodie bags will be provided for the children.

FREE FINGERPRINTING AT THE SAME TIME YOU COME TO VISIT WITH SANTA

Parents/guardians may also have their children fingerprinted free of charge. New York Life is sponsoring free fingerprinting for your children at the Township. Fingerprints and pictures will be taken and an identification card provided. This is one way to help protect your child in the unimaginable event that they were to become missing.

We all have heard that fingerprints are permanent. However, children's fingerprints are actually changing for the first five to seven years of their life. With every year of your child's life, their fingers are growing in size and the characteristic points used by authorities for identification become more pronounced. So even if your child has been fingerprinted before, it may be time to have their fingerprints updated.
