Important Solid Waste Collection Information for 2023

Dear Resident,

Please be advised that Penn Waste, Inc has been in a contract with Rye Township for 1/1/21-12/31/23. We look forward to continuing to service the residents of Rye Township. Our goal is to provide you with superior customer service. Please review the contents of this flyer for useful information on your collection service.

Your weekly collection day is Tuesday. Please have your items placed at the curb prior to 6:00 AM as we will start promptly.

Penn Waste installed mobile carts for collection in 2022. Regular service customers received (1) 96 gallon mobile cart and qualifying seniors received (1) 35 gallon mobile cart.

Please limit your waste to the mobile cart provided. Trash placed in mobile carts for collection must also be bagged so as not to expose our workers to raw garbage.

If you have any questions, please contact our office at 717-767-4456

Important Trash Collection Information for RYE TOWNSHIP RESIDENTS

Mobile Cart Information

As part of our contract with Rye Township, Penn Waste has distributed mobile carts to residents for trash service. Contact the Township office for all trash billing changes at 717-957-2348.

Mobile Cart Placement

Please be advised that all mobile carts should be placed behind the curb. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The garbage truck arm has the capability to reach past the curb in order to pick up your cans. Here are some tips to ensure a smooth collection process:

- ◆ Set mobile cart out by 5:00 AM the day of collection or the night before.
- ◆ Place mobile cart with the lid handle and wheels pointing toward your residence.
- ◆ Do not place cart in the roadway.
- ◆ Do not block walkways with carts.
- ◆ Place cart at least **THREE FEET APART** from other obstructions such as mailboxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles - so trucks can easily access the cart.

Important Tips for Winter Snow

The Road Crew works hard to ensure the roads stay safe during winter weather. We ask that motorists give our plow drivers a break by following a few tips:

- ◆ Remove all vehicles from roadways and place in driveways, where possible, when snow is in the forecast. Remove all cars parked in cul de sacs. Pull into your driveway and do not park in the cul de sacs. Cul de sacs allow for the larger emergency vehicles such as snow plows to safely turn around.
- ◆ Allow six car lengths behind an operating snow plow. Give them space to do their job and treat the roadways.
- ◆ Stay alert as slow-moving snow plows can be obscured by blowing snow.
- ◆ Safely move as far away from the centerline when approaching a snow plow head on. Maintaining safe and passable roads is the Township's top priority when dealing with winter weather. To help meet that need, the Township urges residents to not shovel snow onto roads that have already been plowed. Snow should not be shoveled onto any roadway as this can increase the potential for crashes, and property owners can be held liable for any crashes.

Stay safe this winter!

Merry Christmas and Happy New Year 2023!
